

Sherman PTA Volunteer Survey

Volunteers are a vital part of Sherman. We support our principal and staff as they provide an excellent well-rounded education for our children. The PTA is a volunteer body which coordinates and sponsors many community and fundraising activities to enhance the experience of our students and their families as they learn and progress through Sherman.

We have many wonderful activities and events planned for this school year to look forward to. In order to assure the success and smooth running of Sherman's activities and events, we need to come together as a community to provide support and volunteer!

The PTA would like to find out more about our community of volunteers. We understand that people have various schedules, talents, interests, etc. So we ask that you complete the following survey to tell us about yourself and what you can offer to Sherman.

Please return the survey by Friday, September 21st to your teacher via your child's school folder or to Holly Carver's box in the school office. Thank you so much for your support!
