## **Will enrichment classes be offered right after school so non-GLO students may sign up as well?**

There will be enrichment slots for GLO and non-GLO students. Some enrichment classes will be right after-school while others will not. It depends on the individual partnership.

## **What are the annual Special Events?**

October	Halloween / Harvest Festival Lights On Afterschool
November	Thanksgiving Potluck / Celebration
December	Annual Winter Parent Event
March / April	Health Week
May	Annual Spring Parent Event GLO Annual Day In The Park

Special Events will be coordinated based on Site Director, Staff, and children's interest. Additionally, some special events will be coordinated with the school.

## **How flexible is the program on pick-up times?**

Though pick-up times are flexible, we encourage parents to pick up after 5:30pm so that the children can receive GLO's full experience. Latest pick-up is 6pm.
